

My wife & I have lived on Cabin  
Creek in Seaford for 30 years - since  
1979. For 25 years I sailed out  
of Cabin Creek on my clam boat.  
I want to be able to continue  
to use Cabin Creek for my  
boating pursuits.

I am very concerned about  
the channel becoming blocked  
~~as a result~~ if the proposed  
changes are approved.
